A SELECTION OF PRODUCERS WE LOVE!

" JULIE BALAGNY "

*when it comes to the beaujolais, few do it better than cult figure, julie balagny!
in the cellar, julie works in a similar way to most of the area's greats - whole bunches,
fermented naturally and undergo a cold carbonic maceration, pressed slowly & gently by
hand in a relic of a press with no additions at all... but unlike so many,
julie's wines have that something special quality that's hard to put into words!
beautiful perfume, ever so delicate & an almost ethereal quality*
