A FOCUS ON TYRRELL'S, HUNTER VALLEY NSW

Tyrrell's winery located just north of Sydney in the Hunter Valley, is one of Australia's most highly regarded producers. The Tyrrell's family have been growing grapes in the Hunter since 1858. Fiercely family owned and operated, the fifth generation are currently celebrating (and working) their 161st vintage.

The Hunter Valley is world renowned for producing a style of Semillon and Shiraz unlike anywhere else in the world. We are delighted to offer you a snapshot of one of Australia's most iconic wineries and wine families.

A FOCUS ON RADIKON, FRIULI-VENEZIA GIULIA, ITALY

The Radikon vineyards are set on a hillside in Oslavia, Friuli-Venezia Giulia, between the town of Gorizia and the Slovenian border.

The wines produced by the late Stanislao (Stanko) Radikon and his son Sasa have inspired a devoted following by consumers and sommeliers all over the world.

During Stanko's 36 vintages he adopted a winemaking methodology which echoed the Friulian wines made before the 1930s; Extended maceration periods, the use of large oak barrels, and manual harvesting. This approach rejects the use of chemical pesticides, herbicides, temperature-controlled fermentation, and sulphur. Sasa is now at the helm since Stanko's passing in 2016.

Radikon epitomises natural wine and has been used as a benchmark for skin contact whites all over the winemaking world.

The wines are notoriously hard to come by, achieving a cult like status. We are very excited to be offering a selection here at Icebergs Dining Room and Bar.

Salute!
